## **YouRNI News 2: December 2016**

Dear partners,

we had to cancel our first training activity in Istanbul due to safety concerns. I don't find the words to express how sad I was to make this decision on such a short note.

Our Turkish hosts, led by project managers Prof. Tuncer Can and Irfan Simsek, had prepared an elaborate programme which everyone was looking forward to.

On December 16<sup>th</sup> we had a very efficient and constructive skype conference, led by Pernilla from Sweden. I am more than happy that we could jointly reschedule the programme planned for Istanbul. Thank you Sonia for acting as a new host, and thank you to Ute and Annette for checking out the financial details of the current situation in close contact with our National Agency in Bonn.

On behalf of the German team I would like to thank you for a year of intense communication and cooperation. It was good to get to know you, and I am looking forward to our future activities and meetings.

Merry Christmas and a happy new year 2017,

Rudolf
