YouRNI: Integration of young refugees

“Using mobile devices leading to better language acquisition and relevant career guidance”

YouRNI News 5: July 2018

Dear partners,

the second year of this three year project is coming to an end. Five out of six training events have taken place so far, and in June YouRNI's steering group has met in Switzerland, kindly hosted by Katarina Farkas and her team at Pädagogische Hochschule Zug, to review the project's activities and results, discuss dissemination events, and last but not least prepare the second interim report which was handed in by the end of June.

On behalf of all project partners, we would like to express special thanks to Movetia, the Swiss National Agency for Exchange and Mobility, for inviting us to Zug/Switzerland: this meeting was not financed with the help of YouRNI's budget, but from our Swiss hosts!

The academic year 2017/2018 has been a year where project results have been put into practice: The learning package was used and evaluated in the classroom in all participating countries. With the help of a questionnaire in May 2018, data were collected in order to decide about the next steps within the project.

In June 2018, mixed groups of teachers and labour market experts from all partner countries contributed to the training activity C5 in Karlsruhe and enjoyed German hospitality. Participants spent one day at Elisabeth-Selbert-Schule in Karlsruhe, learning about the school's concept when it comes to teaching refugees, and discussing various issues with teachers, management staff and refugees. YouRNI's coordinating team has decided to support the school's concept of teaching refugees with a donation of 1000 Euros, taken from YouRNI's management budget. The money will be handed over by Ms Annette Denig and Mr Rudolf Jansen on 23 July, when the school's principal Mr Reiner Stadelmann has arranged an official reception to speak about how to use this donation. For more information follow us on <http://www.yourni.eu/>

Next meetings are scheduled for December 2018 in Karlsruhe/Germany, and of course the final project conference in Istanbul in May 2019

Thanks to all of you for showing your interest in the YouRNI project. Enjoy summer!

On behalf of the coordinating partner

Rudolf Jansen
